spa treatments: facials

Featuring KPS Organic Skincare

blu signature facial

Designed to combat the signs of aging, this nourishing and calming facial promotes collagen production, reducing fine lines and wrinkles and leaving you with firmer, more supple skin, luminous texture and radiance, and an even skin tone that can last for days, making it the perfect way to pamper yourself.

50 min
\$155
\$175

blu glow

Rich in enzymes, this facial removes dead skin cells to reveal your radiant complexion. Pomegranate and cranberry antioxidants strengthen skin while removing bacteria. Combined with salicylic acid, this treatment is recommended for dull, dehydrated, oily and acned skin conditions completed with a lactic acid peel.

50 min
\$125
\$135

nurturing facial

A gentle chemical free facial designed for individual's looking for mild exfoliation and hydration.

50 min
\$155
\$175

mini peel facial

This transformative experience addresses the signs of aging for a more youthful complexion. A gentle exfoliation using an advanced peel formula targets wrinkles and fine lines while promoting the natural anti-aging process and stimulating collagen and cellular regeneration. Emerge from this revitalizing facial with a renewed sense of confidence and glowing with youthful vitality.

detoxifying facial

This luxurious, rejuvenating experience is designed to leave your skin looking and feeling its best. This facial's powerful detoxifying properties, purifies the skin and reduces inflammation, targeting acne and congested skin by unclogging pores and removing impurities. By infusing vital nutrients and hydration, this facial also delivers a radiant, healthy glow that lasts, leaving your complexion clearer and more refreshed.

50 min

facial treatments: add-ons

jade roller

Reduce the appearance of fine lines and wrinkles by combining your favorite serum or moisturizer with this jade face roller. Jade rolling enhances skin care by de-puffing and enhancing the absorption of products into the skin. It's also great for facial massage, as it stimulates lymph nodes for lymphatic drainage. Its light pressure also relaxes facial muscles and encourages blood flow.

\$15

gua-sha stones massage

Unlock the benefits of Gua Sha in this modernized version, meant to be used over top of your usual moisturizing routine in order to help increase the benefits of the products. It perfectly stimulates the skin to assist in penetration and help you get the vibrant results you've been looking for.

\$20

nuface microcurrent mini face lift

For clients who wish to attain and maintain a healthier, younger-looking appearance. Microcurrent at various outputs and waveforms has been clinically shown to:

- Stimulate the recovery of damaged tissue
- Re-educate the muscles
- Improve muscle tone and contour in the face/neck
- Temporarily improve local circulation
- Aid in lymphatic drainage
- Enhance product penetration
- Reduce fine lines and wrinkles
- Firm and tighten skin

\$45

ice roller

Tones aging skin and reduces redness, irritation, and inflammation.

\$15

glow drops

Combines the nourishing benefits of superfoods with the added shimmer of mica and the antioxidant and anti-inflammatory properties of pearl powder, a great way to add a healthy glow to your skin.

\$10

superfood elixir

Containing a blend of powerful antioxidants and nutrients to protect the skin from environmental stressors and improve the overall health and appearance of the skin. A great addition to get radiant and youthful looking skin.

\$15

spa treatments: body

head for blu
