

HOW TO PLAY

THREE CARD POKER

PLAY ANTE

Bet on the ante spot to play against the dealer's hand. It's just you and the dealer!

If you bet on the ante spot and like your hand, you must place a wager on the Play spot that is equal to the ante. It's your 3-card poker hand against the dealer's 3-card poker hand—best hand wins! If the dealer doesn't qualify with at least Queen high, the play is a push and the ante automatically wins.

ANTE BONUS

If you make the ante and play wagers you may win a bonus payout even if the dealer doesn't qualify, and if the dealer's hand beats your hand.

PLAY PAIR PLUS

Bet the pair plus along with ante to bet on your own hand. If your hand contains a pair or better, you win! It's just you and the cards.
