Triple 7 Restaurant and Microbrewery opened its doors at Main Street Station in 1996 during the rise of the modern craft beer movement. As the first brewery in downtown Las Vegas, 777 established a landmark for the area and a cornerstone of local craftsmanship. This award-winning brewery features five varieties of the most refreshing hand-crafted beers in town. Our brewmaster's black cherry stout won both silver and bronze at the 1997 and 1999 Great American Beer Festival. Most recently, in 2018, we unveiled a collaboration brew with San Diego's Stone Brewing Company. Aptly named "Eh, Waddyagunnado," this 8% ABV double red ale was a first for the Las Vegas region, and a massive hit. Today, we're proud to still be brewing in the same spot where it all started. The way we see it, we're right where we belong. Voted 2021 Best of Las Vegas Brewpub!
