

MOBILE TICKETING INSTRUCTIONS

Please ensure your device software is up to date to access your mobile tickets and add to wallet. Experiencing issues accessing your mobile tickets? Log out of your Boyd Gaming account and log back in.

LOGGING INTO YOUR ACCOUNT

STEP 1:

Visit <https://am.ticketmaster.com/boydgaming/>

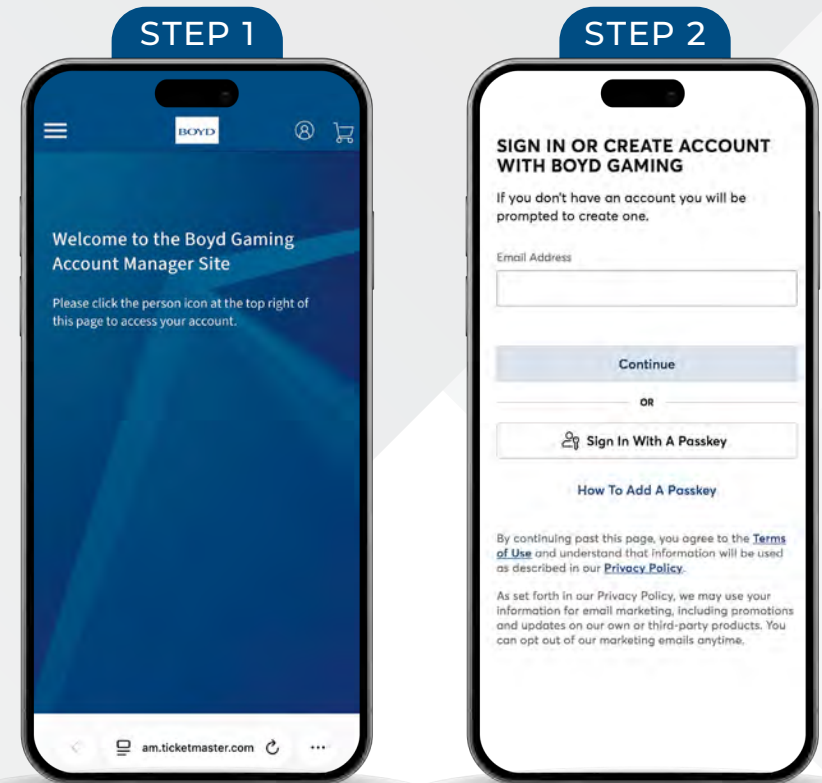

STEP 2:

Sign in using your **Boyd Gaming Account** email address and password.

First time logging in?

Enter your email address in the email field and the system will check to see if you have an existing Ticketmaster account. If your email address is not found, the system will automatically prompt you to create an account.

Continue to Step 3 for help with setting up a Ticketmaster account.

Once you have successfully signed in, you will be able to use the same username and password for other Account Manager sites and Ticketmaster.com

MOBILE TICKETING INSTRUCTIONS

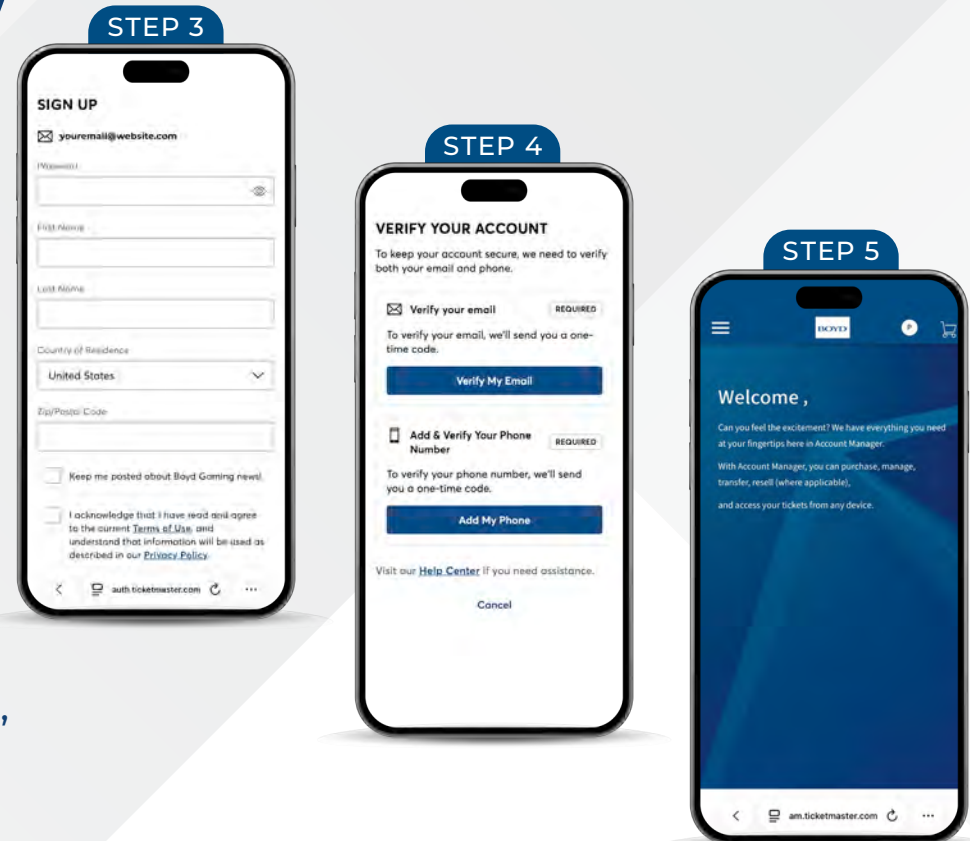

Fans will be required to use a Ticketmaster account to sign in to Boyd Gaming Account Manager. Enter your email address in the email field and the system will check to see if you have an existing Ticketmaster account. If you see a message that says, “Email Not Found”, you will need to sign up with a new Ticketmaster account.

CREATING AN ACCOUNT

STEP 3:
Enter the required field then, tap **NEXT**.

STEP 4:
You will then be prompted to select either email or text to get your one-time code then, tap **NEXT**. Enter your one-time code, and tap **CONTINUE**.

STEP 5:
Once you have created a Ticketmaster account, return to the Boyd Gaming home page.

Once you have successfully signed in, you will be able to use the same username and password for other Account Manager sites and Ticketmaster.com

MOBILE TICKETING INSTRUCTIONS

ACCESSING YOUR TICKETS

STEP 6:

Once you have logged into your Ticketmaster account through the Boyd Gaming account, tap on  **MENU** icon and select **MY TICKETS**.

STEP 7:

Tap on **VIEW EVENT DETAILS** of the event you want to view the ticket(s) for.

STEP 8:

Select the ticket(s) you want to add to your mobile wallet.

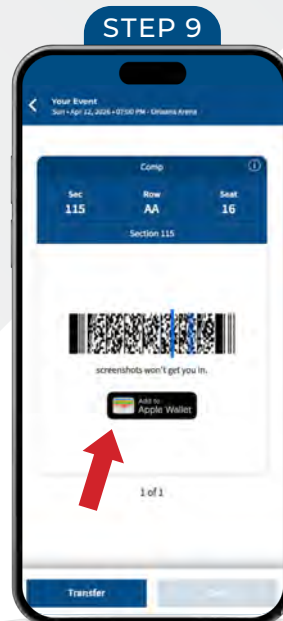

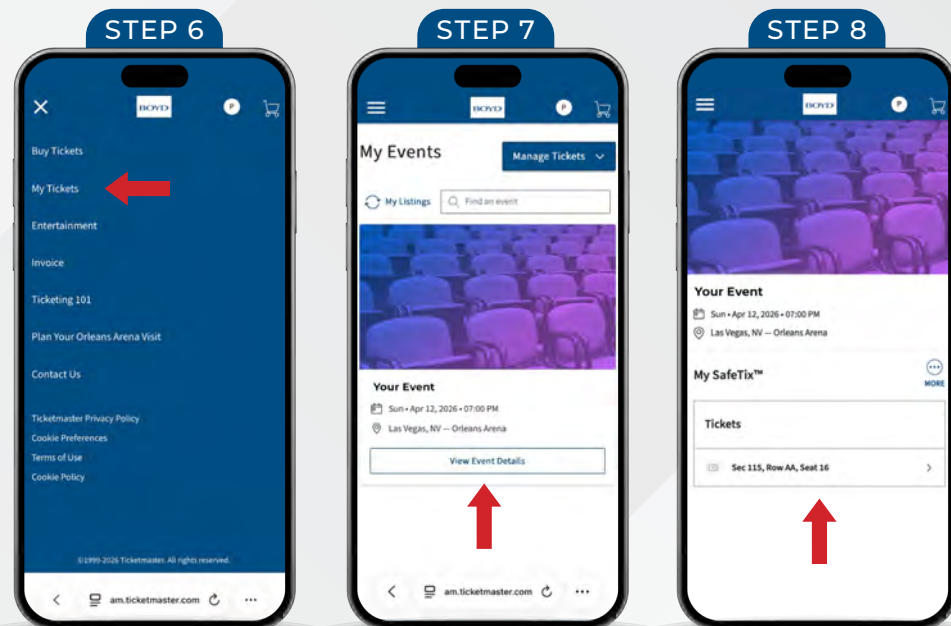

STEP 9:

Next, select **ADD TO WALLET**.

STEP 10:

Locate your ticket in your mobile wallet and display to be scanned.

A screenshot of your ticket is not sufficient for admission.

MOBILE TICKETING INSTRUCTIONS

TRANSFERRING YOUR TICKETS

STEP 11:

Once you have logged into your Ticketmaster account through the Boyd Gaming account, tap on your event to view your ticket(s), then tap **TRANSFER**.

STEP 12:

Next, select the ticket(s) you'd like to transfer, then tap **CONTINUE**.

STEP 13:

Select **ADD A NEW RECIPIENT** to add the recipient's contact information. You may be asked to authenticate your account with a one-time code via email or text.

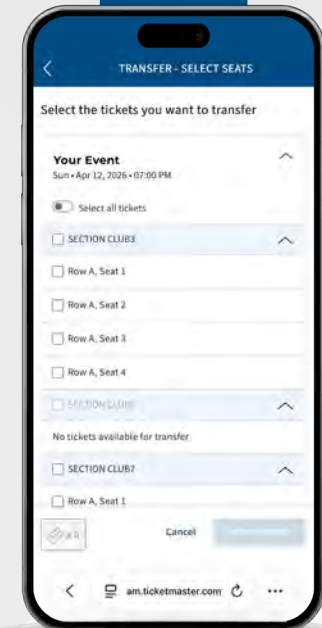

STEP 14:

Enter the recipient's information, tap **SAVE**. Once completed, select the recipient you'd like to send the ticket(s) to then tap **TRANSFER** and you're all set.
